

Dear Parents/Carers,

We would like to bring to your attention that our school has a subscription to the award-winning platform Linguascope (<https://www.linguascope.com>).

Linguascope is a website offering interactive resources in French, Spanish, German, Italian, Portuguese, Mandarin Chinese, Arabic, Russian, Polish, Welsh, Scottish Gaelic, Maori, and English to match curriculum requirements.

Organised in topic areas, the materials are presented via a host of immersive multimedia activities. The site covers all topics encountered in lessons throughout the year and also includes printable worksheets.

As part of our licence, all our students can access the Linguascope website from home. The website can be used independently by students to consolidate what they have learned in class, revise for upcoming tests, get a head start learning new vocabulary, or even introduce themselves to a new language.

The interactive activities are also tablet-friendly, with FREE iPad and Android apps that students can install on their mobile devices: <https://www.linguascope.com/apps/>

To log in to the platform, students have a username and password which they have noted in their exercise book or diary.

We encourage all students to log in to Linguascope as often as they can from home, whether for completing a homework assignment or spending 5 minutes revising vocabulary in their spare time or on their way to school. Remember: Learning a language doesn't take years - it takes minutes every day. Practising little and often is key to rapid progress.

Have fun!

Yours sincerely,
